If there is a change in this emergency information, please notify the school immediately so that the record may be updated.

ILLNESS

Since we aim to make our school program as successful as possible, we must ask that children who are sick be kept at home. A child with a fever of 99 F or above may not attend school. Any child previously suffering from a fever must be fever free for 24 hrs. before returning to school. Lengthy illnesses may require doctor notification.

SCHOOL CLOSING

The school may close for inclement weather or other emergencies for part of a day or for whole day(s). The school will be closed if Gwinnett County schools are closed. Additionally, the school may be closed if weather is unfavorable in neighboring areas. Please keep posted about school closings by email or by contacting the school. All missed days will be made up, provided the missed days are sufficient enough to make the total number of school days fall below 180. In the event that the school has to be closed during the school day due to an emergency, every effort will be made to notify you first by phone and then by email.
